

# *Straight Shooter*

Feeders for mailing,  
printing and packaging

**C-12**

## C-12 High Speed Continuous Feeder

***Straight Shooter brings real  
innovation to friction feeding!***

Revolutionary features enable our feeders to easily handle a wide range of media types and sizes from business cards to large catalogs, and almost everything in between...

**...and feeds them all straight!**

- \* Stuffed envelopes
- \* Open ended booklets
- \* Calendars
- \* Magnets
- \* Self-mailers
- \* Plastic cards or tags
- \* Labels
- \* CDs
- \* Variable thickness ***in the same stack!***

*Great for feeding a wide variety of  
pieces into:*

*Ink jet equipment*

*Tabbing and labeling machines*

*Folders*

*Printing equipment*

## **Buckle Separation™ Technology A Straight Shooter Exclusive!**

Straight Shooter introduced this revolutionary method of separation in 2004. Other feeders use a high friction “nip” point to separate documents. Straight Shooter eliminates the “nip” point for smoother feeding without the jams!

***Straight Shooter takes friction feeding to a new level with these exclusive features:***

- \* Solid, heavy-duty paper guides that extend **ALL THE WAY THROUGH THE FEEDER**
- \* Repositionable Feed Belts -- Lets you customize the feeder for every piece!
- \* Independently Adjustable Separators... as many as you like!
- \* **ALL** belts can be replaced in minutes!
- \* Heavy duty shafts and bearings for long life.
- \* Four high friction feed belts **AND** three traction belts for additional friction
- \* Use as many separators and belts as each job requires
- \* Completely tool-less setup!
- \* Clean, uncluttered design – easy to setup, easy to move, easy to service!

### **Also available:**

- \* Adjustable height floor stand
- \* Table stand
- \* Card option for small media
- \* Single shot and batch models
- \* C-20 for wide documents
